

PRIVATE SMALL GROUP KRUGER PARK SAFARI

A 3 night/4 day private, personalised safari in the World-renowned Kruger National Park. Staying in 4-bedroomed private houses, you have your own guide and your own chef. Game drive times are flexible as are meal times. This tour is perfect for small groups wanting privacy or for families who need the flexibility of choosing when they eat, when they get up in the morning or when they've done enough game viewing!

Day 1: Depart Perry's Bridge, Hazyview at 12:00hrs and travel through the Kruger National Park via Paul Kruger Gate and Skukuza to Satara. We make a short stop at Skukuza Restcamp to buy drinks and snacks (own account). We head north, game-viewing en route to your camp, arriving at around 17:00hrs. We use camps such as Satara, Letaba or Olifants in the northern part of the Kruger. Accommodation is in a private 4-bedroomed (en-suite rooms) house with lounge and kitchen. Your chef will prepare dinner at around 19:00hrs. Weather permitting, sit outside by the fire and listen to those nocturnal animals calling each other. Your ranger will help you to identify their calls.

Day 2: An early morning wake-up with coffee or tea and homemade rusks before departing for the first of our exciting morning open vehicle game drives. The early hours offer the best game-viewing and photographic opportunities. We travel up to Letaba for a visit to the educational Elephant Hall where children will see their impressive ivory collection, which includes the tusks of the legendary "magnificent seven". Enrich your knowledge on the elephant's social structure, distribution and ecology, morphology and physiology, origin and evolution as well as their relationship with humans. After an exciting visit to the museum, we make our way back to camp to escape the heat of the midday sun. We head out for a late afternoon game drive returning to camp just before the gate closing times, when a traditional South African braai (BBQ) will be prepared by your chef for dinner. If the weather conditions are right, your guide will teach you a little about our beautiful African skies at night.

Day 3: After another exciting morning of game-viewing, we return to camp for brunch prepared by your chef followed by a siesta. At around 17:00hrs we board a Parks Board open vehicle for a night safari using spotlights to track the game. Return to camp at around 20:00hrs for a traditional South African braai (BBQ) prepared by your chef.

Day 4: Another early morning game drive follows tea/coffee and homemade rusks. Breakfast is served back at camp before check-out and returning to Hazyview arriving at around 12:00hrs or fly out of Skukuza or Hoedspruit at lunchtime
