*This 5-day tour combines nature and scenery with time to relax in the picturesque Lowveld. Enjoy an open vehicle safari in the Kruger Park, see the wonders of the Panorama Route and delight in the anticipation of an exciting Kruger Park sunset safari. With a professional, qualified guide to escort you all the way, all you have to do is sit back & unwind!*

**DAY 1:** On arrival at Nelspruit/Kruger Airport you will be met by African Safari Adventures and transferred to Rissington Inn where you will be accommodated for 4 nights on a dinner, bed & breakfast basis in one of their superior rooms (mini-suite). Set in indigenous bush just outside Hazyview, Rissington Inn provides fine hospitality in a relaxed and informal environment. The thatched homestead has long views over the Sabie River Valley and offers individually furnished bedrooms, extensive gardens, spectacular birdlife, a sparkling pool and sundowners on the veranda. Delicious, imaginative cuisine in the à la carte restaurant.

**DAY 2:** After breakfast, depart for a full day Panorama Tour, starting at 09h00. Visit the Blyde River Canyon – the world’s third largest - to view stunning rock formations and view sites, such as God’s Window, Wonderview, Bourke’s Luck Potholes and The Three Rondavels. The tour also includes a visit to the quaint and historic town of Pilgrim’s Rest where gold was first discovered. Arrive back at Rissington in the late afternoon to relax and enjoy sundowners before dinner.

**DAY 3:** Depart Rissington at dawn for a morning open vehicle safari in the Kruger National Park (breakfast picnics will be supplied). The Kruger is home to the Big Five – lion, elephant, rhino, buffalo and leopard – and a huge variety of birds, reptiles and other mammals. Return to Rissington at lunchtime for an afternoon at leisure by the pool or walking on the property and neighbouring farms.

**DAY 4:** At leisure until 16h30 when you will be collected and driven to the Kruger Park for a Sunset Safari. Experience the thrill of the African bush as day changes to night in the Kruger National Park. In the company of an expert National Parks Ranger, your safari begins with drinks and sundowners and a beautiful African sunset. As night falls, we turn on our spotlight and go in search for Africa’s “Big 5”. From the comfort of an open safari vehicle, you are likely to see some of Africa’s more unusual nocturnal animals. Return to Rissington at around 20h30 in time for dinner.
